I operate within 160 km of my home terminal and returned to the home terminal by end of work shift for a minimum of 8 consecutive hours off-duty.

I did not exceed the 13-hour driving limit for a vehicle carrying more than 10 passengers, and I was released from work within 15 hours of shift start with at least 1 hour off-duty. All duty-status changes for this shift or previous shift are documented on this record. I am employed by a motor carrier that maintains a Record of Duty Status for each driver. This is a copy of last 14 days log.

Policies & Terms

By placing a reservation and securing it with a non-refundable retainer, you acknowledge and agree to these policies and authorize Arrow Limousine to process charges to the payment method on file for reservation-related amounts, including no-show charges, additional time, damage, and excessive cleaning.

Accepted payment methods include Visa and MasterCard. Cash or e-transfer may be arranged with the office. All charges are processed in Canadian Dollars (CAD). A standard gratuity of 18 percent (adjustable) and GST apply.

Beverage orders, parking, tolls, event fees, and other charter requirements are billed to the reservation account unless alternate arrangements are approved by the office and noted on the booking.

A non-refundable retainer (NRR) is required to confirm and secure a charter run. Once the retainer clears, the vehicle is reserved for that date and time and a confirmation run charter is issued. For bookings of 5 or more hours, the NRR is 50 percent of total charter charges.

NRR charges are processed immediately. The remaining balance is due within 7 days of the service date. If service exceeds booked time, additional hourly charges apply. Added or incurred services may be charged within 2 business days.

Arrow Limousine operates from Red Deer. Out-of-town charters are billed from the time the vehicle departs Red Deer until it returns to Red Deer.

The paying party is responsible for damages and cleaning charges caused by renter or guests, including but not limited to bodily-fluid cleanup, alcohol spills, broken glassware, burns, smoking violations, upholstery damage, equipment damage, and damage from doors or emergency-exit tampering. Charges may be processed within 2 days unless alternate arrangements are approved.

AGLC rules apply. Arrow Limousine is not responsible for uncontrollable events, including traffic, road closures, collisions, flight delays, weather delays, or other acts of God/Mother Nature.

Reimbursements are not provided for such conditions.

For safety, chauffeurs drive to prevailing conditions. Travel times may increase in poor weather, reduced visibility, unpaved roads, or full passenger load situations.

By accepting a discounted rate, the client waives claims related to vehicle age, cosmetic condition, climate-control irregularities, or non-essential amenities, provided safety and regulatory requirements are met.
